

# Parking Tickets

Some Operators have been ticketed for parking their vehicles at Conestoga Mall, Fairview Mall and Highland Hills Mall. If you are parking at any of these locations please go to the mall administration office @ Conestoga Mall, or the information booth @ Fairview Mall or Superstore customer service @ Highland Hills Mall and request to speak with mall security.

Notify security that you are a Grand River Transit Driver and must park your vehicle there to start your work. Give them your vehicle information so that you do not get ticketed.

The union has requested that Senior Management provide some type of pass or card to display on our dash. Until management has put something in place we must notify security.

If any operator has received a parking ticket at any of these locations during their working hours, management has agreed to reimburse that operator for the parking ticket. Please make sure you have the ticket, or a photocopy of the ticket, along with your payment receipt.

If you have any questions don't hesitate to call a union representative.
